

**ABSTRACT FORM – 24th EAA CONGRESS**  
 Eotvos Lorand University, Budapest, Hungary, August 25-28 2026

**Participants wishing to present in the congress are kindly asked to complete the abstract submission form. Abstracts submitted through the form will be reviewed by the International Scientific Committee and, if accepted, included in the congress program.** Send your form to: [eaa2026@elte.hu](mailto: eaa2026@elte.hu)

After submitting your abstract, you will receive a confirmation email from the congress secretariat. Participants will receive a confirmation email once their abstract has accepted for presentation by the International Scientific Committee. This email will serve as official acknowledgment of your abstract. Please indicate whether you prefer an oral or poster presentation. By taking your preference into account, the International Scientific Committee reserves the right to determine the presentation type of all accepted abstracts. Instructions for preparation of oral or poster presentations will be sent together with acceptance notifications. For each abstract, at least one of the authors is expected to attend the congress and make the poster or oral presentation.

By submitting your abstract form, you acknowledge and consent that the congress secretariat will process the personal data you provide, solely for the purposes of organizing and administering the congress, in accordance with applicable data protection regulations. The submission of the abstract constitutes the Authors' consent to publication (e.g. congress website, programmes).

**Abstract title**

**Abstract text** (300 words, structured by summarizing Background, Objective, Subjects and methods, Results and Conclusions; without any references)

**Keywords** (3–5 terms for thematic grouping)

**Acknowledgements / Funding Source** (optional, if relevant)

**Preferred presentation type**

oral presentation	<input style="width: 40px; height: 15px;" type="checkbox"/>
poster presentation	<input style="width: 40px; height: 15px;" type="checkbox"/>

**Topic preference**

Anthropological insights on ancient human populations	<input style="width: 40px; height: 15px;" type="checkbox"/>
Genome-phenome linkages in human populations	<input style="width: 40px; height: 15px;" type="checkbox"/>
Socioeconomic dynamics of human populations	<input style="width: 40px; height: 15px;" type="checkbox"/>
Stages and transitional periods of human life cycle	<input style="width: 40px; height: 15px;" type="checkbox"/>
Innovative methodologies in biological anthropology	<input style="width: 40px; height: 15px;" type="checkbox"/>
Sports anthropology - theory and practice, science and technology	<input style="width: 40px; height: 15px;" type="checkbox"/>
Contemporary issues in forensic anthropology	<input style="width: 40px; height: 15px;" type="checkbox"/>
